

Lax Book Stats

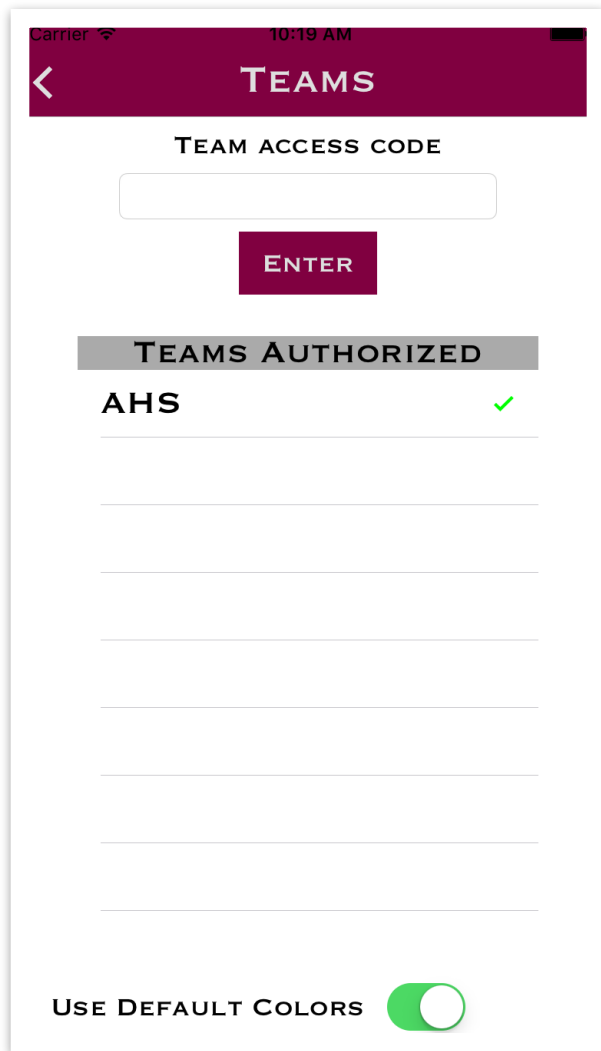

Lax Book is an app for viewing Men's & Boy's lacrosse stats that were taken using the Lax Book app.

Main Page

- Statistics – current season's overall stats
- Games – current season's games
- Players – current season's player stats
- Archives – viewing prior season's overall stats, games and player stats

Settings Page

- Team Access Code – enter the code given to you from the Lax Book app administrator to authorize a team. Press the enter button to authorize.
- Teams Authorized – if you have multiple teams authorized you can change which team you are viewing by selecting the team
- Use Default Colors – the colors of the app are based on what colors come from the Lax Book app for the team. If you would prefer to run the app using the default colors, turn on this switch.
